EXCELLENCY COSTUMIZED

At MJMorell we create unique customized projects with high quality parts and solutions. Unique pieces that reflect the **personality, exclusivity and luxury of our customers**, not only have excellent materials but are also made of the scarcest material in the world, Time.

From the **fittings to the furniture that we execute through lighting, restoration of historical elements of signage heritage and FF&E.**

We present some of the actions we have carried out at the **Madrid Canalejas Center...**

Four Seasons Hotel, Private Residences and currently at La Galería Comercial.

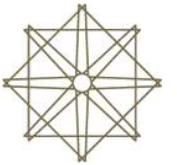

Facade Four Seasons Hotel Madrid

Main identification on the chamfer of Alcalá and Sevilla streets.

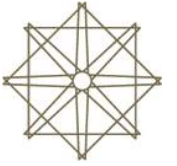

Restoration of heritage protected elements

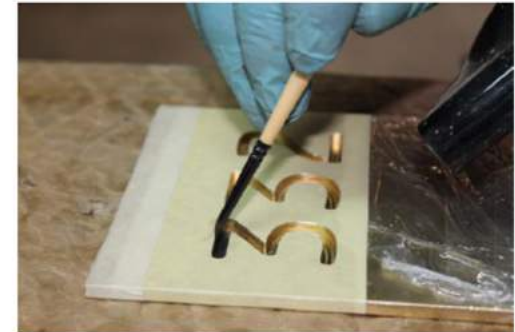

Historic elements restored and transformed into Identification of tradition and avant-garde

Entrance Four Seasons Private Residences Madrid

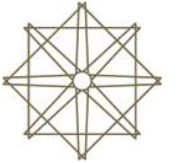

Execution of the 210 identification plates of the rooms combining artisan excellence with the latest technologies on noble materials, brass and oak. Inspired by the grills of the last building acquired for the creation of the urban complex Madrid Canalejas Center.

EXCELLENCY COSTUMIZED

GINKGO

Art applied to interior design and architecture

Is told by prestigious sculptors for realization of our designs, organic forms passed to bronze. We do not make furniture, we make works of art with the added value that no piece is the same as the others... All reflect the personality, exclusivity and luxury of our clients.

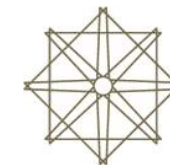

Lobby and Mezzanine Four Seasons Hotel Madrid

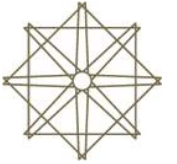

M J M O R E L L

- Unique Apliques Ginkgo pieces
- Material bronze
- Measurements 1470 x 400 mm
- Natural patinas finish

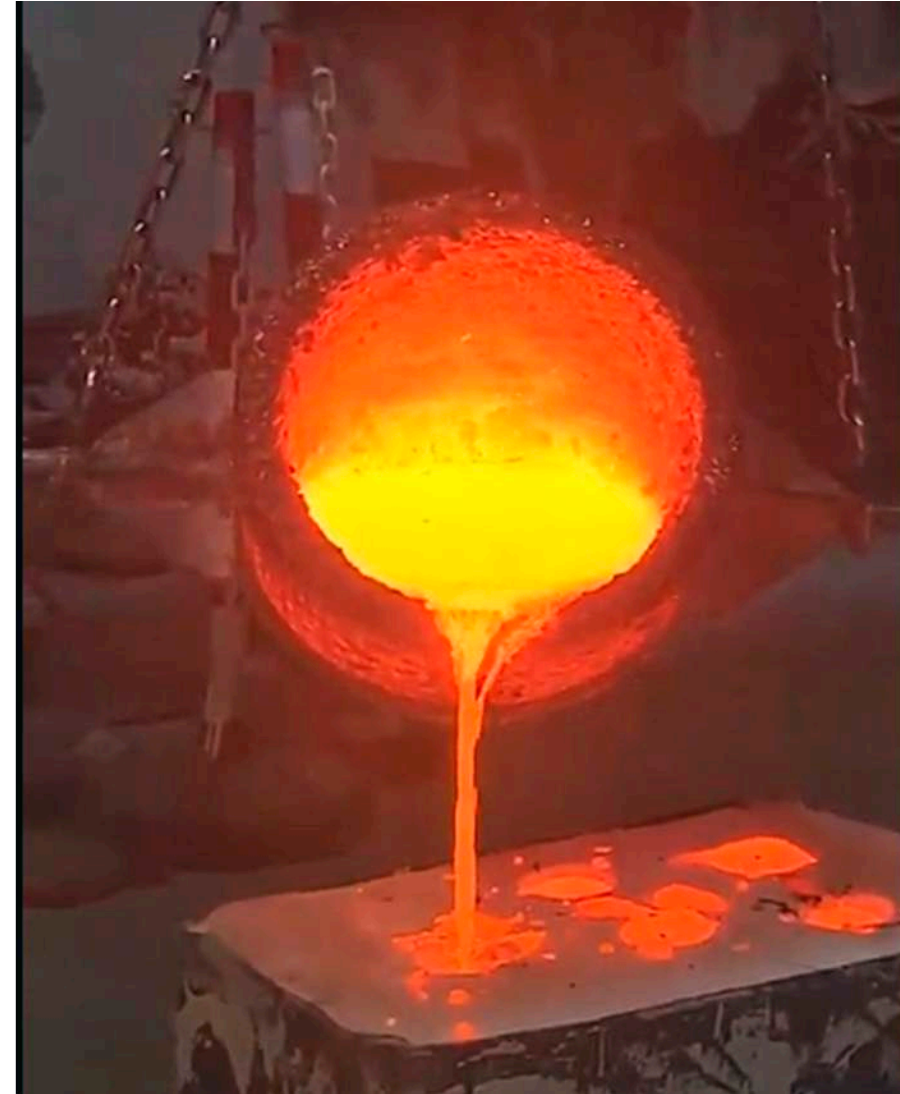

Manufacturing process

Ginkgo leaves modeled by our sculptors, cast in lost wax and in bronze, brushed and polished for the subsequent application of organic patinas.

In workshop

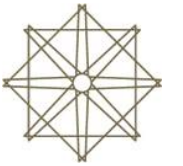

Welding the leaves to a structure previously manufactured.

Brushing and polishing the leaves.

Our workshop

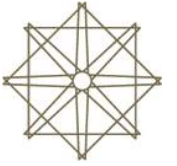

Organic patinas
made with fire.

EXCELLENCY COSTUMIZED

HANDLES, DOOR HANDLES, TOWEL RACKS ...

At **MJMorell** we have created all the handles, hangers, door handles, recessed handles, towel racks ... fittings for the rooms, common areas and furniture for the Four Seasons Hotel and Private Residences.

To each piece we apply the most suitable manufacturing technique according to design, from the combination of hammered craftsmanship with the latest CNC technologies in the same piece, to lost wax bronze casting, always working with noble materials and giving the finish requested by the client from organic patinas to satinating fire, polished or chrome and nickel electrolytic baths.
